How do matches and challenges work?

Matches and challenges are powerful tools to inspire and amplify donations.

Matches: A donor pledges to match contributions based on specific criteria. For example:

- **Per Dollar Match:** A donor matches \$1 for every \$1 donated, up to a set amount.
- **Per Donor Match:** A donor matches a fixed amount for each donor who contributes, up to a limit.

Match dollars are added incrementally as donations meet the match criteria.

Challenges: A donor commits to giving a lump sum only if a specific goal is achieved. For example:

- Donor Challenge: A donor gives \$1,000 if 50 people donate.
- Dollar Challenge: A donor gives \$1,000 if \$10,000 is raised.

Challenge dollars are all-or-nothing and are added once the goal is met.
